MOST RECENT WORK EXPERIENCE

DIRECTOR OF DESIGN

Jurispect

SAN FRANCISCO

March 2016 - July 2016

Led UX strategy, research and design for a web app that helps enterprise users collaborate more effectively. Led the validation of the design with the company's first customer. Implemented processes to measure UX success through specific UX metrics at 8 different points throughout the user experience.

USER EXPERIENCE DESIGNER

TrussWorks

SAN FRANCISCO

August 2015 - February 2016

Designed and successfully executed an iOS app for a social enterprise client. Facilitated design workshops and designed a skills library iOS app.

USER EXPERIENCE DESIGNER

Accela

SAN RAMON / SAN FRANCISCO

August 2013 - March 2015

Led a redesign of an iPad app with the product and UX teams. Creating UI library and style guides for desktop and mobile applications. Led in the strategy and execution of agency shadowing and user interviews for a platform redesign. Gave a talk at the developer conference about designing for citizen use cases.

DESIGNER IN RESIDENCE

General Assembly

SAN FRANCISCO

August 2013 - December 2013

Created curriculum for a 12-week UX Fundamentals class of 20 students from different professional disciplines. Guided students on a variety of design deliverables and provided constructive feedback. Lectured and led exercises for research, prototyping and design process and best practices.
